

# ALL MY PRAISE

DAVID LIM, TIMOTHY LIEW

## VERSE 1

**G**  
You split the skies  
**Em** **Bm D**  
and You called me from darkness to life  
**G**  
You tore the veil  
**Em** **Bm D**  
And You went to the depths for my heart  
**G**  
You formed the stars  
**Em** **Bm D**  
And You ride on the first morning light  
**G**  
Fashioned my being  
**Em** **Bm D**  
You knew who I was from the start

**G** **F#**  
I give You all my praise

Jesus You're the only one I'm after

All glory to Your name

You're the One who reigns

Everything in me will lift You higher

I am in wonder  
For all of the things You have done

I'll live this life  
God acknowledging You are the One
