II. Gameplay

Objective: Collect 9 gems & place in the vault

Instructions

- Spies vs Resistance battle
- Each faction will have 3 vaults with 9 slots
- Each “faction” will separate their players into 3 roles:
 - o Collectors x50
 - o Stealer x50
 - o Attackers x50
 - o Defenders x50
- Collectors have to run to the middle of the field and collect gems in the powder pool
- Stealers will steal these gems from the collectors
- Attackers will try to destroy their opponent’s vaults
 - o Attackers will be given eggs, tomatoes, powder, raw fish
- Defenders will prevent attackers from destroying their vaults
 - o Defenders will be given onions, powder, raw chicken
- First faction to fill their safes with 9 gems will release fireworks and win the game

Rules

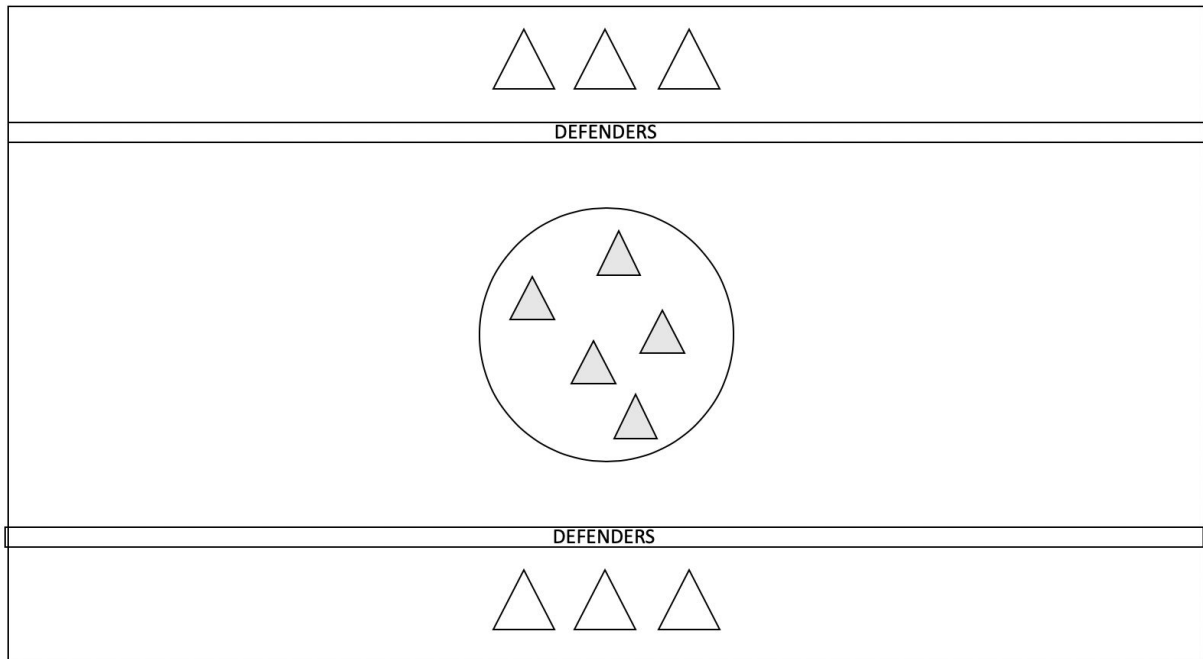

- No kicking, no shooting, no slapping, be nice :)
- Gems can only be stolen when the vault breaks

Scoring

- 1st and 2nd
